MRWG –Next Meeting

The next meeting for the Market Renewal Working Group will take place the afternoon of October 31st at the IESO's Adelaide Office; materials and agenda will be circulated closer to the meeting. At this meeting, we will provide a recap of the brainstorming session on electricity sector futures from the previous MRWG. We will also discuss in detail Brattle's analytical approach to assessing benefits from each of the work streams and seek stakeholder feedback on how to ensure findings from other jurisdictions are made most relevant for the Ontario context. Please contact engagement@ieso.ca to confirm your attendance at this meeting.

Regards,
